Jim,

I spoke with [REDACTED] and [REDACTED] in ESG concerning us letting the Wang contract expire next year. [REDACTED] is the COTR for Wang and he noted that he has asked key personnel in all the Directorates to inform him of their Wang requirements through FY91 and also provide him with a strategy plan. It was requested they have this info in to [REDACTED] by 14 Nov 86 so he could prepare a recommendation to D/OIT for renewal of the contract through FY91. [REDACTED] has not received any feedback from the Directorates as yet. It doesn't seem as though there is a plan underway to let the contract expire.

Is MS involved in this?
